**Re: Important Reminder - Transfer of Insurance to SSQ Financial group plan (CPS - APTMQ)**

---

## **To Medical Technologists Covered by the APTMQ Collective Agreement:**

Recently, your employer distributed information documents concerning your integration with the SSQ-APTS (CPS-APTMQ) contract. This transfer will take effect January 8<sup>th</sup>, 2006.

You have been sent a new certificate of insurance describing the various coverages from which you benefit under the SSQ Financial group plan. It is essential that you verify whether the coverages listed match those that you had with Industrial Alliance. If this is not the case, be sure to notify the SSQ **before February 1<sup>st</sup>, 2006**.

Also, please pay special attention to the dental plan, since participation is optional for each individual. If you would like to make changes to this plan, fill out the reply card, **you received from your employer** and that was enclosed with the information documents. Return it before **February 1<sup>st</sup>, 2006**.

If you would like more information about your group insurance, please feel free to contact us.
